

# ADAPTIVE & INTEGRATIVE CAMPS

Orange Community Education & Recreation (OCER) seeks to create and promote inclusion across all facilities, programs and classes that we offer. We welcome people of all ages and abilities to participate in any of our programs. Our goal is to ensure that all individuals have equitable access to the benefits of high-quality educational and recreational programs that foster social, emotional, physical and cognitive growth. We aim to make our programs as inclusive as possible, but we also offer a variety of adaptive programs to meet participants' needs as well.

Our seasoned, dedicated staff are highly trained and licensed professionals that are skilled in their area of expertise, have extensive experience working with participants with special needs and demonstrate the ability to embrace the inclusive nature of our organization. We also look for volunteers that can offer specialized support for all students in our programs.

Adaptive & Integrated Camps for children aim to:

- Meet each child's needs with care and concern.
- Provide each child with an opportunity to shine and share his or her special gifts.
- Enable all children to take risks while developing self-esteem.

## PARTICIPANT ACCOMMODATION PLAN

For those parents that would find it helpful, Orange Community Education & Recreation offers participants with special needs the opportunity to meet one-on-one (prior to participating in a program) to create an individualized Participant Accommodation Plan. The plan is not required to participate in any of our programs, however, it can help us identify what programs make a good fit and how we can help support the participant. During this one-on-one meeting, you can tell us all about your child and we can work together to create a plan for success.

For more information, please contact Reilly Ford, Adaptive Recreation Coordinator at 216-839-1179 or [rford@orangecsd.org](mailto:rford@orangecsd.org). To register, visit [www.orangerec.com](http://www.orangerec.com).

## UNLIMITED ADVENTURES CAMP

We believe that EVERY child deserves to have the summer of a lifetime! Orange Community Education & Recreation is pleased to offer three 2-week camp sessions for children with special needs. The camp day will include daily opportunities for socialization through art, movement, sports, group games, special visitors, skill-building experiences, swimming, field trips and much, much more. The camps feature licensed, highly-qualified specialists and smaller group sizes. Note: Registration is based on availability and is first come, first served. No camp June 19.

## REGISTRATION PROCESS

1. Visit <https://orangerec.ce.eleyo.com/> and sign up for the camp titled "Pre-Registration: Unlimited Adventures Summer Camp."
2. Answer some basic questions to help us get to know more about your child and his/her special needs.
3. In the pre-registration, you will be given a link to a **Summer Camp Child Transition Form** (to be completed by your child's current teacher). Please send this link to your child's teacher. We will be notified immediately once he/she completes the Google form.

6. You will have an option to pay in full or utilize our payment plan. The payment plan entails a \$100 deposit per camp session with an equal installment of the balance due on March 15 and April 12.
7. No refunds will be honored after May 9.

Will your child receive county funding, scholarships, grants or other third-party payments for camp tuition?
