ASSISTANCE

Don't hesitate to take the steps that will provide you with critical funding for Beyond Camp. Your local County Board of Developmental Disabilities has camp funding for all students but requires you to request it. Based on this past camp season, families received \$1500-\$1800 from their County Board of DD to pay for camp, which pays for most of camp! This assistance is so beneficial and is available to everyone. In order to access the funding, you will need to start the intake process, which is a simple application that can be found on most County Board of DD websites. If you can't locate the form, please call their intake number to begin the process to receive the available funding.

Don't wait. Please contact your County Board of DD as early as now to begin the process. You will want to have begun the process by January 2025 to ensure you receive the funding for camp.
