

Helping Kids Soar

Specialized Care for Mental, Behavioral & Academic Growth

A Program for Everyone

Ages 4-12 years old

✔ Day Treatment Program

Designed for children with significant mental health diagnoses, this program offers therapeutic groups and individual services tailored to each child's needs.

✔ Intensive Outpatient Program

An after-school therapeutic option for those experiencing moderate to significant mental health challenges. Through structured, engaging group and individual services, we help children develop coping skills and emotional regulation while staying in their home and school environments.

✔ School and Home-Based Services

Designed to bridge the gap between clinical care and the school and home environments, ensuring that children receive support throughout the day

✔ Family Support

Our skilled team works with families to address challenges, strengthen relationships, and create a supportive home environment that promotes the child's progress.
