

# Creating a World where there are ONLY ABILITIES!

For over 100 years, Rotary Camp has offered life-changing opportunities to children and adults with disabilities, including developmental, physical, and mental health challenges. Campers can participate in day, overnight, and year-round respite programs to foster independence, build self-confidence, and forge new friendships.

## REX LAKE DAY CAMP PROGRAMS

Summer Day Camps at Akron Rotary Camp are popular, allowing campers to enjoy traditional activities while returning home each night. This model serves as an alternative to extended school year programs or daycare, featuring a busy schedule with minimal downtime and a counselor-to-camper ratio of 1:3.

### Rex Lake Day Camp - Cost/week \$500

At Rex Lake, Day Campers are organized into small groups based on age and abilities. With the leadership of our exceptionally trained counselors, campers rotate through different camp activities including games, crafts, campfires, nature programs and more. Each day, weather permitting, campers will also have the opportunity to explore the excitement of Rex Lake, through activities including swimming, canoeing and other water games.

### Extended School Year / Day Camp + (Rex Lake Only) Cost per session \$2,400

Campers who participate will receive a minimum of five hours of intervention weekly from an intervention specialist, one hour with a Speech Therapist, one hour weekly to work on and address IEP goals. DayCamp+ will provide services in addition to regular day camp programming to support social and experiential learning. Unfortunately, Rotary Camp does not provide financial assistance for ESY/DayCamp+.

**REGISTRATION OPENS MARCH 3<sup>RD</sup> - ROTARYCAMP.ORG**

**Rex Lake Day Camp, Ages 6-21  
Monday - Friday: 9am - 4pm**
